Diggin' the grave, the coffin is ready. Stop your life's tape for it's your fate
All your Life you've been diggin' the grave. Nothing's lost and nothing's safe

| G5 F#5 Bb5 | G5 F#5 F5 |
All your life your illusion's failed
The coffin waits hammered and nailed
Eternal Life is just a Fake
So dig the grave for heaven's sake

Chorus

| G5 F#5 Bb5 | G5 F#5 F5 | G5 F#5 Bb5 | G5 F#5 F5 |

Cemetery gate waits for you
The tombstone set and waitin' for you
So dig down deep, deep inside
The womb of earth so warm and tight

Chorus:

Diggin' the grave, the coffin is ready. Stop your life's tape for it's your Fate.
All your life you've been diggin' the grave. Nothing's lost and nothing's safe
Diggin' the grave, for those to follow. It's our ashes they will have to swallow
Diggin' the grave for those to follow. It's our dirt that they'll have to swallow

G5 F#5 Bb5	G5 F#5 F5	G5 F#5 Bb5	G5 F#5 F5	(2x)

| G5 F#5 Bb5 | G5 F#5 F5 |
Diggin' the Grave, for those to follow
It's our Ashes they'll have to swallow
Seems to me it's all in vain
Everthing's lost and nothing gained (2x)
