

A5	C5	A5	Bb5	A5	A7	
Chorus:	D			A7		
We're not bl	ack we're nav	yy blue and we D me super powe		you A7	D navy blue	
D I don't know where your Problem is seriously. Corruption has always worked for me By the way we're back to using CFCs. A little cancer never killed anybody Aw, you're gonna cry from a little tear gas. Shut up you punk and move your ass! We don't sing songs of freedom here. So get out you damn queer!						
Chorus: We're not black we're navy blue and we are arresting you In the name of our awesome super power. We are not black, we're navy blue We are not black we're navy blue, but we are arresting you In the name of our awesome super power. And the party likes it too						
When we are done with you and you resist to forget, we'll just shut down your Internet Your two-year-old is quite obviously a member of a terrorist conspiracy We'll send him to a camp - only voluntarily, but to participate is mandatory Where we are going we leave a big mess. It's no coincidence we look like the BB						
Chorus: We're not black we're navy blue and we are arresting you In the name of our awesome super power. We are not black, we're navy blue We are not black we're navy blue, but we are arresting you In the name of our supreme super power! And the party likes it too						
em Your peasan		nm lood the streets	G , but we don't	give a shit, c		
In the name We are not b In the name	of our aweson black we're na of our aweson	yy blue and we me super powe blue, but wo me super powe by blue, but wo	r. We are not be are arresting r. And the par	olack, we're n g you ty likes it too	•	

In the name of our supreme super power! And the party likes it too
